(Through the President)

Sir,

Subject - Appointment of a driver of the grade of - Rs. 45-2-65 for the inspection van of the Municipality.

I write to state that the sanctioned strength of the lorry Drivers of the Engineering Section of the Municipality is 8 - according to Government order No.L. 1928-9 CM 6-49-38 dated - 20-5-51. All the hands have full work both in the morning and in the evening of attending to supply of materials to Civil - Works and other works of urgent nature that might be entrusted as and when occasions arise.

When the inspection van was purchased for the Municipality in June 1950, attempts were made to have the work of inspection van attended to by other drivers But it was found that the work could not be satisfactorily discharged and a driver exclusively for the inspection van was found to be required One Doddiah, a cleaner who possessed driving license was therefore appointed to attend to this van driving work from 1-8-1950 and he has been attending to this work satisfactorily ever since.

The Works Committee, Managing Committee and the Council have duly approved of the appointment at their meetings held on 23-7-1951, 18-8-1951 and 31-8-1951.

In enclosing the copies of the above resolutions, I request you kindly to obtain orders of Government sanctioning the post of another driver to the Engineering Section of the

P T O

the Municipality for looking after the Inspection van.

Necessary proposition statements in triplicate are enclosed. The expenditure will be met out of provision under D5. lorries.

Yours faithfully,
